REVIEW ENGAGEMENT REPORT

To the Members:

I have reviewed the balance sheet of Children's Joy Foundation as at December 31, 2017 and the statements of collections and disbursements and fund balance, and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Practitioner's Responsibility

My responsibility is to express a conclusion on the accompanying financial statements based on my review. I conducted my review in accordance with Canadian generally accepted standards for review engagements, which require me to comply with relevant ethical requirements.

A review of financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, I do not express an audit opinion on these financial statements.

Basis for Qualified Conclusion

In common with many charitable organizations, Children's Joy Foundation derives revenues from donations. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Foundation and we were not able to determine whether all cash collections are accurately recorded in the books. The effects on the financial statements have not been determined.

Qualified Conclusion

Based on my review, except for the possible effects of the matter described in the Basis for Qualified Conclusion paragraph, nothing has come to my attention that causes me to believe that these financial statements do not present fairly, in all material respects, in accordance with Canadian generally accepted accounting standards for not-for-profit enterprises.

NOTES TO FINANCIAL STATEMENTS

(Unaudited)

YEAR ENDED DECEMBER 31, 2017

1. Description of organization

Children's Joy Foundation was established on January 21, 2013. It exists to support the charitable activities carried out in third world countries in Asia particularly in the Philippines. It is a registered charity with the Canadian Revenue Agency.

2. Significant accounting policies

These financial statements have been prepared in accordance with Canadian standards for not-forprofit enterprises.

Financial instruments

Financial instruments comprise cash and short term investments, receivables, payables, and long-term debt. Fair value is estimated to equal book value. It is the Board's position that the Foundation is not exposed to material credit or liquidity risks related to these financial statements.

Equipment and depreciation

Equipment is recorded at cost. Depreciation is provided on the diminishing balance basis at annual rate of 30% (reduced by half in the year of acquisition).

Income and expense recognition

General fund contributions are recognized as donation when received.

Volunteers contribute significantly to assist the Foundation in achieving its goals. The value of donated services is not recorded in the financial statements.

Use of estimates

The preparation of financial statements necessarily involves the use of estimates and assumptions. Management believes its estimates to be appropriate; however, actual results could differ from these estimates.
