Independent Auditor's Report

To the Directors of Opération Enfant Soleil

Qualified opinion

We have audited the financial statements of Opération Enfant Soleil (hereafter the "Organization"), which comprise the statement of financial position as at August 31, 2021, and the statements of operations, changes in fund balances and cash flows for the year then ended, and notes to financial statements, including a summary of significant accounting policies, and the schedules.

In our opinion, except for the possible effects of the matter described in the "Basis for qualified opinion" section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at August 31, 2021, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for qualified opinion

In common with many not-for-profit organizations, the Organization derives revenue from activities and projects, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these contributions was limited to the amounts recorded in the records of the Organization. Therefore, we were not able to determine whether any adjustments might be necessary to the revenues from activities and projects, excess of revenues over expenses and cash flows from operating activities for the years ended August 31, 2021 and 2020, current assets as at August 31, 2021 and 2020, and fund balances as at September 1, 2020 and 2019 and August 31, 2021 and 2020. Our opinion on the financial statements for the year ended August 31, 2020 was qualified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control;

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Québec (Date) 1

The accompanying notes and schedules are an integral part of the financial statements.

On behalf of the Board,

1 - GOVERNING STATUTES AND PURPOSE OF THE ORGANIZATION

The Organization was incorporated under Part III of the *Companies Act* (Quebec) for the purpose of collecting donations or sponsorships to improve the quality of care provided to children. It is a registered charity under the *Income Tax Act* and is, therefore, tax exempt.

2 - IMPACTS RESULTING FROM THE COVID-19 PANDEMIC

In March 2020, the decree of a COVID-19 state of pandemic and the numerous measures put in place by the federal, provincial and municipal governments to protect the public had impacts on the Organization's operations. Among others, these measures led to the postponement of the Maison Enfant Soleil 2020 draw to January 2021. This crisis is likely to cause significant changes to the assets or liabilities in the coming year or have a significant impact on future operations.

Among the measures designed to alleviate the repercussions of this crisis, the Organization is eligible for a grant under the Canada emergency subsidy programs. Accordingly, a subsidy claim in the amount of \$382,267 was submitted for the period from September 1, 2020 to August 31, 2021 (\$573,795 in 2020).

3 - SUMMARY OF ACCOUNTING POLICIES

Basis of presentation

The Organization's financial statements are prepared in accordance with Canadian accounting standards for not-for-profit organizations.

Accounting estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the amounts recorded in the financial statements, notes to financial statements and schedules. These estimates are based on management's best knowledge of current events and actions that the Organization may undertake in the future. Actual results may differ from these estimates.

Fund accounting

Revenues and expenses relating to service delivery and administration are reported in the general administration fund.

Revenues and expenses relating to the social fund's activities are presented in the social fund, which is the following;

Sport and sustainable health fund

Created as a result of an Énergie Cardio initiative, the Sport and sustainable health fund is intended to promote physical activity and healthy eating for young people to help prevent problems caused by sedentariness.

Revenue recognition

Contributions

The Organization follows the restricted fund method of accounting for contributions.

3 - SUMMARY OF ACCOUNTING POLICIES (Continued)

Contributions restricted for operating expenses are recognized as revenue of the general administration fund in the year during which the related expenses are incurred. All other restricted contributions are recognized in the appropriate fund.

Unrestricted contributions are recognized as revenue of the general administration fund when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Pledges

Corporate pledges are recognized as contribution revenue when the amount receivable has been confirmed by the donor and collection is reasonably assured.

MSSS contributions

MSSS commitments to contribute to the Organization's projects are recognized as revenue, up to 25% of the net funds collected, that is \$3,685,114 as at August 31, 2021 (\$2,453,006 as at August 31, 2020). The Organization is committed to reaching an agreement with the MSSS about the projects that will be supported.

The MSSS pays contributions resulting from this agreement directly to the establishments. It is the establishments' responsibility to undertake all steps and satisfy the terms of payment of these contributions.

Contributions from the MSSS for the repatriation of newborns and to funds invested in tangible capital assets and intangible assets

MSSS commitments to contribute to the Organization's projects are recognized up to \$224,917 (\$225,000 in 2020) for projects with respect to equipment for the maintenance and repatriation of newborns in the regions, and \$159,522 (\$35,878 in 2020) for capital asset projects for pediatric purposes. The Organization is committed to reaching an agreement with the MSSS about the projects that will be supported.

The MSSS pays contributions resulting from this agreement directly to the establishments. It is the establishments' responsibility to undertake all steps and satisfy the terms for payment of these contributions.

Contributed services and goods

Each year, volunteers dedicate numerous hours helping the Organization provide its services. Additionally, the Organization receives contributions of services and goods. These contributions are not recognized in the financial statements.

Revenues from activities and projects

Revenues from activities and projects are recognized when the activity or project takes place, provided their collection is reasonably assured.

3 - SUMMARY OF ACCOUNTING POLICIES (Continued)

Net investment income

Investment transactions are recognized at the transaction date and the resulting revenues are recognized in the statement of operations using the accrual basis of accounting.

Net investment income includes interest income, participation in the net income of mutual funds as well as changes in fair value.

Interest income is recognized on a time proportion basis whereas dividend income is recognized when the Organization right to receive payment is established. Revenues from investment funds are recognized upon distribution. Changes in fair value are recognized when they occur.

Financial assets and liabilities

Initial measurement

Upon initial measurement, the Organization's financial assets and liabilities are measured at fair value, which, in the case of financial assets or financial liabilities that will be measured subsequently at cost or amortized cost, is increased or decreased by the amount of the related financing fees and transaction costs. Transaction costs relating to financial assets and liabilities that will be measured subsequently at fair value are recognized in operations in the year they are incurred.

Subsequent measurement

At each reporting date, the Organization measures its financial assets and liabilities at cost or amortized cost (including any impairment in the case of financial assets).

Transaction costs relating to financial assets and liabilities that are measured at amortized cost are amortized on a straight-line basis over the term of the related financial instrument. Amortization of transaction costs related to long-term debt is recognized in operations as interest expenses.

The Organization assesses whether there are any indications of impairment. When there is an indication of impairment, and if the Organization determines that during the year there was a significant adverse change in the expected timing or amount of future cash flows from a financial asset, it will then recognize a reduction as an impairment loss in operations. The reversal of a previously recognized impairment loss on a financial asset measured at cost or amortized cost is recognized in operations in the year the reversal occurs.

Inventory valuation

Inventory is valued at the lower of cost and net realizable value. Cost is determined on a first in, first out basis.

Tangible capital assets and intangible assets

Tangible capital assets and intangible assets acquired are recorded at cost. When the Organization receives contributions of capital assets, their cost is equal to their fair value at the contribution date plus all costs directly attributable to the acquisition of the tangible capital assets, or at a nominal value if fair value cannot be reasonably determined.

3 - SUMMARY OF ACCOUNTING POLICIES (Continued)

Amortization

Tangible capital assets and intangible assets are amortized over their estimated useful lives according to the straight-line method over the following periods:

Machinery, equipment, furniture and fixtures Computer equipment, software and Website Leasehold improvements Periods 5 years 3 years 10 years

Write-down

When conditions indicate that a tangible capital asset or intangible asset is impaired, the net carrying amount of the tangible capital asset or intangible asset is written down to the asset's fair value or replacement cost. The write-down is accounted for in the statement of operations and cannot be reversed.

Expenses charged to the social fund

Expenses charged to the Sport and sustainable health fund correspond to 30% of total funds collected.

Allocations – hospital centres

The excess of revenues over expenses allocated to hospitals in the basis of the agreement (Note 4) is recognized as allocations in the statement of operations in the year the amounts are collected.

Expense allocation

The Organization allocates a portion of the general operating expenses on the basis of allocations it considers appropriate for each type of expense and that it applies on a consistent basis year after year. Expenses for the "Public awareness and information" and "Hospital centres and organizations support" programs are allocated on a pro rata basis of the program activity levels. Allocated expenses include salaries and benefits, telethon expenses, communication and administration expenses.

4 - SHARING OF THE EXCESS OF REVENUES OVER EXPENSES BEFORE ALLOCATIONS

The excess of revenues over expenses before allocations is shared on the basis of an agreement between the CHU de Québec – Université Laval, Hôpital Sainte-Justine, Montréal Children's Hospital and the Centre hospitalier universitaire de Sherbrooke.

4 - SHARING OF THE EXCESS OF REVENUES OVER EXPENSES BEFORE ALLOCATIONS (Continued)

According to the agreement, an amount equal to 87% of the excess of revenues over expenses before allocations of the MSSS contribution as well as all forms of related donations, net of planned donations to be capitalized according to the Organization's policies, funds collected intended for the Sport and sustainable health fund, the MSSS's contribution and interest on each foundation's trust accounts that they receive directly, will be allocated to the hospital centre's foundations in the following proportions:

| | | % |
|--|--------|------|
| CHU de Québec – Université Laval | | 27.0 |
| Hôpital Sainte-Justine | | 26.5 |
| Montréal Children's Hospital | \sim | 26.5 |
| Centre hospitalier universitaire de Sherbrooke | \sim | 7.0 |

A portion of the allocations paid is deposited and administered in a trust account opened by the foundations of each hospital. Interest earned on these accounts is recorded as interest on investments. The 13% excess will be allocated to regional health care institutions (hospitals, integrated university health and social services centres and any other organization recognized by the MSSS, with the exception of the four major centres mentioned in the previous paragraph).

The excess of revenues over expenses before allocations that is not shared will be allocated as determined by the Board of Directors.

5 - INFORMATION INCLUDED IN THE STATEMENT OF CASH FLOWS

The net change in working capital items is detailed as follows:

| | 2021 | 2020 |
|---|-------------|-------------|
| | \$ | \$ |
| Accounts receivable | (942,086) | 1,956,012 |

| | | | |

Deferred contributions as at August 31, 2021 are primarily contributions from partners to be used in 2022.

13 - INTERNAL RESTRICTIONS

Under the excess sharing agreement (Note 4), the Organization allocates 13% of the excess of revenues over expenses before allocations to regional hospitals in accordance with certain conditions and the excess that is not shared as determined by the Board of Directors. The allocated excess for which the Organization has not received payment requests is recognized as internal restrictions as well as the excess that is not shared that will be allocated as determined by the Board of Directors.

14 - MINIMUM CHARITABLE EXPENDITURES

To maintain its charitable organization status, the Organization must meet annual spending requirements, known as minimum charitable expenditures, under the *Income Tax Act*. Minimum charitable expenditures are a calculated minimum amount that a registered charity must spend each year on its own charitable programs or by making gifts to qualified donees. Failure to comply with the requirements may result in the revocation of the Organization's registration. As of August 31, 2021, the Organization is in compliance with the Canada Revenue Agency requirements.

15 - COMMITMENTS

The Organization has entered into long-term lease agreements maturing until 2027, which call for lease payments of \$1,433,043, excluding property tax and other indexing clauses, for the rental of premises and the use of services. Minimum lease payments for the next five years are \$635,676 in 2022, \$190,347 in 2023, \$158,568 in 2024, and \$158,273 in 2025 and 2026.

Additionally, the Organization has provided letters of guarantee to the Régie des alcools, des courses et des jeux du Québec to obtain licenses for draws for a value of \$500,000 maturing in March 2022 (\$500,000 in 2020), \$11,500 maturing in March 2022 (\$11,500 in 2020), and \$97,619 maturing in July 2022 (\$0 in 2020).

16 - FINANCIAL RISKS

The Organization's main financial risk exposure is detailed as follows.

Credit risk

The Organization is exposed to credit risk regarding the financial assets recognized in the statement of financial position. The Organization has determined that the financial assets with more credit risk exposure are accounts receivable and allocations receivable since failure of any of these parties to fulfil their obligations could result in significant financial losses for the Organization.

Interest rate risk

The Organization is exposed to interest rate risk with respect to financial assets and liabilities bearing fixed and variable interest rates.

The term deposit and investments in obligations bear interest at a fixed rate and the Organization is, therefore, exposed to the risk of changes in fair value resulting from interest rate fluctuations.

Mutual funds investments indirectly expose the Organization to the risk of changes in fair value resulting from stock and financing markets fluctuations.

The bank loan bears interest at a variable rate and the Organization is, therefore, exposed to the cash flow risks resulting from interest rate fluctuations.

Liquidity risk

The Organization's liquidity risk represents the risk that the Organization could encounter difficulty in meeting obligations associated with its financial liabilities. The Organization is, therefore, exposed to liquidity risk with respect to all of the financial liabilities recognized on the statement of financial position.

17 - CHARITABLE ACTIVITIES

The Organization considers that it allocates \$929,058 (\$669,756 in 2020) for public awareness and information and \$283,534 (\$274,561 in 2020) to support hospital centres and organizations. Schedule E provides details of these expenses.

Accordingly, the following table presents the proportion (percentage) of these amounts compared to total revenues in the past two years.

Investment in charitable activities

| | 2021 | 2020 |
|---|----------|-------|
| | <u> </u> | % |
| Public awareness and information | 3.56 | 3.61 |
| Hospital centres and organizations support | 1.08 | 1.48 |
| Excess of revenues over expenses before allocations | 73.90 | 70.58 |
| | 78.54 | 75.67 |

18 - GOODS AND SERVICES AT NO COST

Goods and services

As a result of its solicitation efforts, the Organization receives a significant quantity of goods and services at no cost. It estimates that it received \$968,080 (\$1,848,492 in 2020) in goods and services during the year from various partners and providers.

Volunteers

The Organization uses the services of numerous volunteers in its ongoing operations. These services totalled 3,334 hours for the year (4,057 hours in 2020).

These amounts and those for goods and services are not recognized in the financial statements.

19 - ALLOCATION OF EXPENSES BY FUNCTION

During the year, the Organization allocated expenses between the "Public awareness and information" and "Hospital centres and organizations support" programs. Details of these expenses, which were allocated between the programs using a percentage determined by the Organization's management, are presented in Schedule E:

- Salaries and benefits are allocated on the basis of the estimated time spent by the Organization's employees on the various programs;
- Telethon expenses (production, broadcast time, artists travel and accommodations, physical installations, etc.) were allocated on the basis of 50% for each of the two programs;
- Communication expenses were allocated on the basis of 60% for the "Public awareness and information" program and 40% for operating expenses;
- Each of the two programs was charged 15% of all of the Organization's administrative expenses.
