AKLER BROWNING LLP CHARTERED PROFESSIONAL ACCOUNTANTS

INDEPENDENT AUDITOR'S REPORT

To the Members of The Learning Enrichment Foundation

Opinion

We have audited the financial statements of The Learning Enrichment Foundation, which comprise the statement of financial position as at December 31, 2022, and the statements of operations and changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of The Learning Enrichment Foundation as at December 31, 2022 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Foundation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

AKLER BROWNING LLP CHARTERED PROFESSIONAL ACCOUNTANTS

INDEPENDENT AUDITOR'S REPORT, continued

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to the Financial Statements December 31, 2022

NATURE OF OPERATIONS

The Learning Enrichment Foundation ("the Foundation") is a non-profit organization incorporated without share capital and is registered with the Canada Revenue Agency as a charity, within the meaning of the Income Tax Act. The objects of the Foundation include educational programs, such as the operation of child care centres, before and after school programs, employment training and counselling services and other employment development projects, as well as operating non-profit residential accommodation for seniors, the disabled or anyone with low income.

1. SIGNIFICANT ACCOUNTING POLICIES

These financial statements are prepared in accordance with Canadian accounting standards for not-for-profit organizations. The significant accounting policies are detailed as follows:

(a) Cash and cash equivalents

Bank balances, including bank overdrafts with balances that fluctuate from positive to overdrawn, are presented under cash and cash equivalents. Cash equivalents include highly liquid investments that are readily convertible to known amounts of cash and that are subject to an insignificant risk of changes in value. An investment normally qualifies as a cash equivalent when it has a short maturity of approximately three months or less from the date of acquisition.

(b) Property and equipment

Property and equipment are accounted for at cost and amortized over their estimated useful life using the following methods and rates or duration.

Costs related to property under development are not being amortized. Amortization will commence once the property has been fully developed and is available for use.

Building Equipment and fixtures 5% Declining balance 5 years Straight-line

(c) Impairment of long-lived assets

Property and equipment subject to amortization are tested for recoverability whenever events or changes in circumstances indicate that their carrying amount may not be recoverable. An impairment loss is recognized when the carrying amount of the asset exceeds the sum of the undiscounted cash flows resulting from its use and eventual disposition. The impairment loss is measured as the amount by which the carrying amount of the long-lived asset exceeds its fair value.

(d) Revenue recognition

The Foundation follows the deferral method of accounting for contributions. Restricted contributions are deferred and recognized as revenue in the year in which the related expenditures are incurred. Unrestricted contributions are recognized as revenue when received or receivable when the amount to be received can be reasonably estimated and collection is reasonably assured.

Client fees, fee for service, vocational training, rental and investment income and enterprise revenues are recognized on the accrual basis as earned.

Notes to the Financial Statements December 31, 2022

1. SIGNIFICANT ACCOUNTING POLICIES, continued

(e) Deferred contributions related to property and equipment

Deferred contributions related to property and equipment represent restricted contributions for the purchase of building, equipment and fixtures. Deferred capital contributions are recognized as revenue on the same basis as the related property and equipment is being amortized. Deferred contributions related to property under development are not being amortized. Amortization will commence once the property has been fully developed and is available for use.

(f) Government assistance

The Foundation is entitled to the Canada Emergency Wage Subsidy, Hardest-Hit Business Recovery Program and the Canada Emergency Rent Subsidy, which are accounted for using the income approach. Under this approach, government subsidies are recognized as revenue in the period in which those expenses are incurred. The subsidy is also subject to a review by the tax authorities. Any differences between the subsidies granted and the subsidies recognized will be recorded in net income in the period in which new information will be known.

(g) Contributed materials and services

Volunteers contribute time and the use of their vehicles in support of programs. The organization would not be able to carry out its activities without the services of the many volunteers who donate a considerable number of hours. Due to the difficulty of compiling these hours, contributed services are not recognized in the financial statements. The fair market value of donated property and equipment is recognized as donation revenue in the year the property and equipment are donated, if the fair market value can be reasonably estimated.

Rent not charged for certain facilities used by the Foundation has not been recognized in the financial statements as it is impractical to determine the fair market value of these amounts.

(h) Allocation of expenditures

The Foundation engages in various programs and services. The costs of each program includes the cost of personnel and other expenditures that are directly related to providing the services. The Foundation also incurs other expenditures that are common to the management and operations of the Foundation and each of its programs.

The Foundation allocates certain of its administration expenditures, wages and benefits, professional fees, legal fees, insurance, rent, telephone, food costs, office and general and advertising by identifying the appropriate basis of allocating each component expenditure, and applies the basis consistently each year according to contracts with the Federal, Provincial and Municipal governments. These costs are included in the expenditures and/or recoveries between programs per the schedules attached to the financial statements.

Notes to the Financial Statements December 31, 2022

1. SIGNIFICANT ACCOUNTING POLICIES, continued

(i) Financial instruments

Measurement of financial instruments

The Foundation initially measures its financial assets and liabilities at fair value.

The Foundation subsequently measures all its financial assets and financial liabilities at amortized cost, except for investments in equity instruments that are quoted in an active market, which are measured at fair value. Changes in fair value are recognized in excess of revenues over expenditures in the period incurred.

Financial assets measured at amortized cost include cash and cash equivalents, accounts receivable, grants and subsidies receivable and HST rebate receivable.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities. The mortgage payable is measured at amortized cost net of finance fees.

The Foundation has not designated any financial asset or financial liability to be measured at fair value.

Impairment

For financial assets measured at amortized cost, the Foundation determines whether there are indications of possible impairment. When there is an indication of impairment, and the association determines that a significant adverse change has occurred during the period in the expected timing or amount of future cash flows, a write-down is recognized in excess of revenues over expenditures. A previously recognized impairment loss may be reversed to the extent of the improvement. The carrying amount of the financial asset may not be greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in excess of revenues over expenditures.

(i) Use of estimates

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, revenues and expenditures for the period covered. The main estimates relate to the impairment of financial assets, the useful life of property and equipment and allowance for doubtful accounts.

5. PROPERTY UNDER DEVELOPMENT

The Foundation is working with the City of Toronto to redevelop the land and buildings located at 1240, 1246 and 1250 Weston Road. The project is called The Mount Dennis Quilt. The redevelopment project will include a multi-use building, including both the ground level and the first few floors as community space. The remaining floors will consist of affordable residential units.

Notes to the Financial Statements December 31, 2022

6. DEFERRED CONTRIBUTIONS

Deferred contributions represent unspent resources externally restricted by funding agencies plus restricted operation funding received in the current or a prior period that are related to a period subsequent to the year end.

Included in the year end balance is \$Nil (2021 - \$4,748,297) in wage grants received from the City of Toronto, Children's Services Division to be spent in a subsequent period. The analysis of the combined wage grants for the year is as follows:

		General Operating Grant	Pay Equity 1999-2005	Provincial Wage Enhancement	Safe Restart Funding
Deferred from prior years Received in this fiscal year Wage grants expensed in this fiscal year according to Day Nurseries act, Regulation	\$	- \$3,769,566	- 268,058	\$ - S 1,044,000	4,748,297 679,776

10. GOVERNMENT ASSISTANCE

Included in grants and contribution agreements and deferred contributions respectively, is \$nil (2021 - \$4,620,678) and \$1,262,767 (2021 - \$3,516,151) of government assistance related to subsidies received under the Canada Emergency Wage Subsidy and the Hardest-Hit Business Recovery program. To meet the program requirements, the Foundation must show a reduction in revenues based on calculation methods as required by the Government of Canada. The revenue and subsidy calculations are subject to a review by the Canada Revenue Agency.

Notes to the Financial Statements December 31, 2022

11. PENSION PLAN

The Foundation switched from a defined contribution plan to a multi-employer defined benefit pension plan, administered by OPTrust in the current year. The current pension plan membership includes 338 of its employees as of December 31, 2022.

In accordance with Generally Accepted Accounting Principles, the Foundation has accounted for their multi-employer pension plan as a defined contribution plan even though the plan is a defined benefit plan as sufficient information is not available to use defined benefit plan accounting.

Every three years, the plan is required to have an actuarial valuation prepared. The last valuation was dated December 31, 2022 at which time it was determined the plan was in a surplus position. Payments to the organization's pension plan for the year ended December 31, 2022 were \$511,924 (2021 - \$494.663).

12. CONTRACTUAL OBLIGATION

The Foundation's total obligation, under various operating leases and a property lease agreement, exclusive of occupancy costs, is as follows:

2023	\$ 384,300
2024	393,450
2025	402,600
2026	201,300
	\$ 1,381,650

13. FINANCIAL INSTRUMENTS

Transactions in financial instruments may result in an entity assuming or transferring to another party one or more of the financial risks described below. The required disclosures provide information that assists users of financial statements in assessing the extent of risk related to financial instruments.

(a) Credit risk

Credit risk is the risk that one party to a financial transaction will cause a financial loss for the other party by failing to discharge an obligation. The Foundation's main credit risk relates to its accounts receivable, grants and subsidies receivable and HST rebate receivable.

(b) Liquidity risk

Liquidity risk is the risk that the Foundation will encounter difficulty in meeting obligations associated with financial liabilities. The Foundation is exposed to this risk mainly in respect of its trade accounts payable. The Foundation expects to meet these obligations as they come due by generating sufficient cash flow from operations combined with the receipt of subsidies and grants from its funders.

Notes to the Financial Statements December 31, 2022

13. FINANCIAL INSTRUMENTS, continued

(c) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. The Foundation does not have significant exposure to any of these types of risk.
