INDEPENDENT AUDITOR'S REPORT

To the directors of

THE PROSTATE CANCER FIGHT FOUNDATION

Qualified Opinion

We have audited the financial statements of The Prostate Cancer Fight Foundation (the Foundation), which comprise the statement of financial position as at July 31, 2021, and the statements of operations and changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Foundation as at July 31, 2021 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Qualified Opinion

In common with many not-for-profit organizations, the Foundation derives revenue from fundraising activities the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of the Foundation. Therefore, we were not able to determine whether any adjustments might be necessary to fundraising revenue, net revenue (expense), and cash flows from operations for the years ended July 31, 2021 and 2020, current assets as at July 31, 2021 and 2020 and net assets as at August 1 and July 31 for both the 2021 and 2020 years. Our audit opinion on the financial statements for the year ended July 31, 2020 was modified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Foundation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due
 to fraud or error, design and perform audit procedures responsive to those risks, and obtain
 audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not
 detecting a material misstatement resulting from fraud is higher than for one resulting from error,
 as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the
 override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the
 disclosures, and whether the financial statements represent the underlying transactions and
 events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

THE PROSTATE CANCER FIGHT FOUNDATION NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED JULY 31, 2021

1. NATURE OF OPERATIONS

The Prostate Cancer Fight Foundation (the "Foundation") was incorporated under the Canada Corporations Act on January 21, 2005. The Foundation received its Certificate of Continuance under the Canada Not-for-Profit Corporations Act on October 9, 2014.

The Foundation is a registered charity under the Income Tax Act and was formed to provide funding to organizations that conduct research and to promote education and awareness of prostate cancer.

2. SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with Canadian standards for not-for-profit organizations and include the following significant accounting policies:

a) Cash and cash equivalents

Cash and cash equivalents include cash on deposit with financial institutions, demand deposits and redeemable or short-term investments with maturity of 90 days or less at acquisition.

b) Revenue recognition

i) Fundraising

Donations, sponsorship and other fundraising amounts are recognized as revenue when received.

ii) Progressive lottery sales

Income from the progressive lottery sales is recognized as revenue, as weekly draws are held, with 30% of the weekly sales being accrued for the progressive prize.

iii) Investment income

Investment income is comprised of interest from cash and cash equivalents. Revenue is recognized on an accrual basis. Interest on investments is recognized over the term of these investments using the effective interest method.

c) Financial instruments

The Foundation initially measures its financial assets and financial liabilities at fair value adjusted by transaction costs in the case where a financial asset or liability is subsequently measured at amortized cost.

The Foundation subsequently measures cash and cash equivalents at fair value at the statement of financial position date. All other financial assets and financial liabilities are measured at amortized cost at the statement of financial position date. Financial assets measured at amortized cost include accounts receivable and financial liabilities measured at amortized cost include accounts payable and accrued liabilities and payable to the Ride for Dad.

d) Contributed goods and services

Volunteers contributed goods and time to assist the Foundation in carrying out its mandate. Due to the difficulty of determining their fair value, contributed goods and services are not recognized in these financial statements.

e) Use of estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period.

Management makes accounting estimates when determining the collectibility of its receivables and significant accrued liabilities. By their nature, these estimates are subject to uncertainty and the impact on the financial statements of the current and future years could be material.

THE PROSTATE CANCER FIGHT FOUNDATION NOTES TO THE FINANCIAL STATEMENTS - Cont'd. YEAR ENDED JULY 31, 2021

3. FINANCIAL INSTRUMENTS

The Foundation is exposed to the following risks through its financial instruments. The following analysis provides a measure of the Foundation's risk exposure and concentrations.

The Foundation does not use derivative financial instruments to manage its risk.

Credit risk

The Foundation is exposed to credit risk resulting from the possibility that parties may default on their financial obligations. The Foundation's maximum exposure to credit risk represents the sum of the carrying value of its cash and cash equivalents, restricted cash and receivables.

The Foundation's cash and cash equivalents and restricted cash are deposited with a Canadian chartered bank and as a result, management believes the risk of loss of these items to be remote.

The Foundation manages the credit risk of its receivables by reviewing receivables on a monthly basis and following up on any outstanding amounts. Management believes that all receivables will be collectible and that no provision for uncollectible amounts is necessary.

Liquidity risk

Liquidity risk is the risk that the Foundation cannot meet a demand for cash or fund its obligations as they become due. The Foundation meets its liquidity requirements by preparing and monitoring detailed forecasts of cash flow from operations, anticipating investing and financing activities and generally holding assets that can be readily converted to cash.

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk is comprised of currency risk, interest rate risk and other price risk.

i) Currency risk

Currency risk is the risk that the fair value of instruments or future cash flows associated with the instruments will fluctuate relative to the Canadian dollar due to changes in foreign exchange rates.

Substantially all of the Foundation's operations are transacted in Canadian dollars and as such, are not exposed to significant currency fluctuations.

ii) Interest rate risk

Interest rate risk refers to the risk that the fair value of financial instruments or future cash flows associated with the instruments will fluctuate due to changes in market interest rates.

A portion of the Foundation's cash and cash equivalents bear interest at a fixed interest rate and there are no other interest bearing instruments held by the Foundation. Management is of the opinion that the Foundation's exposure to interest rate risk is minimal.

iii) Other price risk

Other price risk refers to the risk that the fair value of financial instruments or future cash flows associated with the instruments will fluctuate because of changes in market prices (other than those arising from currency risk or interest rate risk), whether those changes are caused by factors specific to the individual instrument or its issuer or factors affecting all similar instruments traded in the market.

The Foundation is not exposed to other price risk.

Changes in risk

There have been no significant changes in the Foundation's risk exposures from the prior year.

THE PROSTATE CANCER FIGHT FOUNDATION NOTES TO THE FINANCIAL STATEMENTS - Cont'd. YEAR ENDED JULY 31, 2021

4. RESTRICTED CASH

Restricted cash is comprised of \$21,317 for a security deposit on the Foundation's credit card as well as \$21,585 to be paid to the ultimate progressive lottery winner after year-end.

5. RELATED PARTY TRANSACTIONS

The Foundation is related to the members of the Foundation's Board of Directors. fundraising events to support prostate cancer research	
Effective August 1, 2017, the Foundation entered into with respect to its annual fundraising activities. Under the first retained by the completely fund the admin with any excess being for the Foundation. In addition	his arrangement, any sponsorship revenues, are istrative expenses for the National Office n, this agreement also stipulates that the
provides fundraising services to the Foundation with The cost recovery amount in the current year was \$107	
The net contribution to the Foundation for the 2021 file	seal year-end was \$780,366 (2020 - \$114,727).

The net contribution to the Foundation for the 2021 fiscal year-end was \$780,366 (2020 - \$114,727). At July 31, 2021 there were advances from the RFD in the amount of \$91,080 (2020 - \$137,313).

All of the above transactions occurred in the formal course of operations and were recorded at the exchange amount which is agreed upon by all parties.

6. UNCERTAINTY DUE TO THE ECONOMIC CONSEQUENCES OF THE CORONAVIRUS (COVID-19) OUTBREAK

In March 2020, all provinces in Canada declared public health emergencies amid concerns originating from the spread of the coronavirus disease. Those measures included travel restrictions and social distancing requirements which included a call to avoid crowded places and non-essential gatherings.

A high degree of uncertainty persists surrounding the full economic impact of the situation as the unpredictable nature of the spread of the disease makes determining the length of time that the Foundation's operations will be impacted difficult. Consequently, at the time of issuance of these financial statements, the effect that the abrupt decline in economic activity will have on the Foundation's operations, assets, liabilities, net assets, revenues and expenses are not yet known.

7. COMPARATIVE FIGURES

Comparative figures have been reclassified where necessary to conform to the presentation adopted in the current year.
